## Presenting 2008 Gulfstream G450 SN 4108 Excellent Pedigree, Highly Equipped, and Turn-Key Condition!

You can have it all in a G450, and Serial Number 4108 is just that aircraft! The list starts with a very desirable pedigree:

- Two U.S. owners since new
- Full maintenance programs
- Enhanced Nav Package (ASC 59D)
- FANS 1A/CPDLC compliant
- ADS-B Out
- Synthetic Vision
- Planeview Software Update (ASC 912)
- Sat TV
- New paint July, 2017
- Engine mid-life complied with July 2018
- 96-month inspection complied with May 2016

The original interior is finished in neutral earth tones and is in exceptional condition. The open layout offers seating for 14 passengers, with a well-equipped aft galley, forward crew lav and aft passenger lav. With Gulfstream BBML high speed data, you'll stay connected on both domestic and international trips.

We invite you to see for yourself why Serial Number 4108 is everything you want in a G450!
